Cohen & Gresser LLP Advises Private Equity Firm Limerston Capital Partners in its Acquisition of Two Forensic Science Businesses

Cohen & Gresser LLP advised private equity firm Limerston Capital in its acquisition of Forensis Group Limited and Forensic Axis Limited (trading respectively as Forensic Access and Axiom International), specialists in forensics science services and premier providers of international institutional reform and capacity building. The combined acquisition will form the basis of a new, comprehensive international criminal justice services provider. Management and founders, led by Professor Angela Gallop, will retain a significant minority shareholding as part of the transaction and will work with Limerston Capital to expand the businesses through organic growth and strategic acquisitions. The terms of the transactions were not disclosed.

The Cohen & Gresser team was led by [Jeffrey M Bronheim](#) and [Daniel H Mathias](#), and included [Ash Gulati](#), [Dawda Jawara](#), and [James Mossetto](#) on corporate matters, and [John W Gibson](#) and [Thomas Shortland](#) on litigation and compliance matters.
