Cohen & Gresser Represents Imagine Software in Significant Sale Transaction

NEW YORK (May 18, 2021) – International law firm [Cohen & Gresser](#) represented Imagine Software, a leading global portfolio risk management technology company, in its sale to Francisco Partners, a global investment firm that specializes in partnering with technology and technology-enabled businesses.

The transaction was entered into on April 24, 2021, and it closed on May 14, 2021.

Francisco Partners has announced that it will combine Imagine Software with the recently acquired TradingScreen to form TS Imagine – a new dynamic end-to-end trading and portfolio management software platform that will be one of the most robust SaaS cloud-based software platforms in capital markets and investment management.

The combined company will offer integrated and complete front office solutions, complementary product capabilities, best-in-class technology, global geographic coverage, and deep expertise to investment firms and financial institutions around the world.
