Cohen & Gresser Strengthens Litigation and Arbitration Team with Addition of Douglas J Pepe in New York

International law firm [Cohen & Gresser](#) today announced that leading litigator and trial lawyer [Douglas J Pepe](#) will join the firm as a partner in its New York office.

Doug brings over 20 years of experience representing corporations, financial services clients (including hedge funds and private equity funds), law firms, and other clients in complex commercial litigation. His practice focuses on high-stakes securities litigation, legal malpractice cases, insurance disputes, mass torts, class action defense, and legal issues in the blockchain and digital currency space.

"I've co-counseled with Cohen & Gresser in the past and am thrilled to be joining a talented team with exceptional trial capabilities, high-quality work, and excellent judgment," said Doug. "I look forward to building my practice here and to working with my new colleagues around the world on complex commercial disputes, professional liability defense, and blockchain advisory work."

Doug has successfully litigated tens of billions of dollars in claims involving a wide variety of complex issues, including playing a leading role on the Court-appointed Executive Committee charged with directing the subrogation and property damage claims arising out of the 9/11 terrorist attack.

"I'm delighted to welcome Doug to the firm," said [Lawrence T Gresser](#), co-founder and global managing partner of Cohen & Gresser. "We know him well and like and respect him very much. He is a first-rate litigator and will be integral in providing elite client service and guidance in areas that are important to our clients, including growing our commercial and securities litigation practices, our professional liability practice, and our blockchain and digital currency group."

Prior to joining Cohen & Gresser, Doug was a partner at Joseph Hage Aaronson LLC, a preeminent litigation boutique. Doug is a member of the American Law Institute and a fellow of the Litigation Counsel of America. He also serves as a Professorial Lecturer in Law at The George Washington University School of Law, where he teaches blockchain law and technology.
