

## Cohen & Gresser Recognized for 'Bringing Excitement and Innovation to the Practice of Law' in The Legal 500 US 2022

International law firm [Cohen & Gresser](#) has been recognized in [The Legal 500 United States 2022](#) guide for "bringing excitement and innovation to the practice of law." The 2022 guide recognizes more C&G lawyers and practice areas than ever before, including a 58% increase in individual attorney recommendations and new rankings at the practice and "Leading Lawyer" levels.

The guide highlights C&G's "elite group of practitioners" and use of advanced machine learning techniques and notes that the firm "handle[s] cases that are every bit as complex and challenging as big, national law firms." Commentators noted that the firm "punches way above its weight" in litigation and investigation matters.

C&G Co-Founder [Mark S Cohen](#) is one of only two lawyers in the United States to be recognized as a "Leading Lawyer" in both [Securities Litigation: Defense](#) and [Corporate Investigations and White-Collar Criminal Defense](#). Commentary from [The Legal 500](#) recognizes Mark as a "top-tier advocate" who is "at the top of the profession" and "can litigate with the best of them."

For the first time, C&G's Antitrust practice has been recognized in [Antitrust: Civil Litigation/Class Actions: Defense](#) for its handling of class action cases concerning allegations of cartel behavior, monopolization, and other exclusionary conducts. [The Legal 500](#) cites the leadership of [Melissa H Maxman](#) and the addition of "heavyweight" lawyer [John Roberti](#) as key reasons for the practice's recognition.

C&G is again recognized in the Advice to Individuals and Advice to Corporates categories of the [Corporate Investigations and White-Collar Criminal Defense](#) section. [The Legal 500](#) commentary notes that the practice is led by "partners with deep experience who obtain excellent results for clients" and is "well placed to handle transatlantic cases" with offices in New York, Paris, and London, and has "particular expertise in financial crime, antitrust enforcement, public corruption, and tax issues."

The guide has also recognized C&G once again in the [General Commercial Disputes](#) category, praising the practice for showing the "discipline and focus necessary to win a case." Testimonials from the guide highlight the team's ability to "handle large and complex matters" with "experienced people, good judgment," and "better use of technology."

For the 10th consecutive year, C&G has been recognized in the [Securities Litigation: Defense](#) category for the firm's "expertise in the financial services sector" and "recognized trial expertise" in cross-border and domestic securities litigation and enforcement proceedings. [The Legal 500](#) emphasizes the team's "strong practitioners" and "attentiveness to clients" in the 2022 guide.
