

Trade Secret and Unfair Competition

We represent clients in actions involving unfair trade practices, unfair competition, and violations of non-competition and nondisclosure agreements. We also advise clients on the preparation and negotiation of nondisclosure and confidentiality agreements, and we represent clients in trade secret misappropriation disputes and litigation.

Trade Secret

Successful defense of Korean MMORPG game developer in trade secrets and copyright claims. Matter settled on favorable terms.

Successfully obtained a preliminary injunction for our client, a leading provider of specialty tax software, to prevent a competitor from misappropriating our client's trade secrets, using our client's software to check the accuracy of its own computer programs, and interfering or causing others to interfere with our client's contractual relationships.

Successful defense of departing employees from major public consulting company against claims of misappropriation of trade secret, breach of restrictive covenant and breach of Computer Fraud and Abuse Act.

Successful representation of a computer company in an action against a former employee for misappropriation of trade secrets relating to the client's computer software trading system.

Defended financial services professional against allegations that he took trade secrets from his former employer. Matter settled on favorable terms.
